# WHITE CAP®

# WHITECAP.COM FEATURES

By activating your WhiteCap.com account, you can take advantage of innovative online tools, including:

### Order History:
Review all your branch and online purchases for the past six months.

### Order Status Updates:
Know the status of your order and when it leaves our facility.

### Proof of Delivery:
Download or view a proof-of-delivery with a photo and/or signature.

### Online Invoices:
You can view past, current, and overdue invoices and set up ACH payments to expedite payments.

### Custom Pricing:
See your company's negotiated pricing on select products for greater cost visibility.

### Favorites:
Create lists of frequently purchased items for faster and easier ordering. You can organize lists by jobsites, projects, or other categories and share them with your team.

### Multiple Payment Options:
Pay by credit card or bill your order to your company account.

### Combine Your Accounts:
Have multiple White Cap account numbers? Link all of your accounts to your one website login for easier administration.
